CORPORATE MESSAGE

Dear 4Life Distributors,

4Life has given us the opportunity to be associated with each other. Our “means and ways” may be different but our “destination” is the same. I want to let you know how much I appreciate the work you are doing in your market for your down lines. We, “the 4Life India team” assure you of our continued support to build your organization and develop new markets for our mutual growth.

At the dawn of the New Year, it is time to look back at the year passed by, relish our success, learn from our failures and welcome the New Year with full vigour and strength, a year which I'm confident, would be the turning point of 4Life India. 2019 would certainly be the year to surpass milestones and turn a new leaf for 4Life India. You are the LEADERS who would be the torchbearers of this success. Together we would build the business through Science, Success and Service.

There are great programs in place which i want you to use for developing your organisation. The loyalty program gives immediate benefit for the new distributors. The new changes in compensation plan supports a preferred customer to earn 25% on his volumes exceeding 100 LP. Builder bonus helps a leader to develop optimal structure while getting benefitted for doing right things. All these are great tools in the hands of every 4life distributor to carve his future.

Training your downline is one of the main function of a leader for which he is paid infinity bonus. It is your responsibility. In your own interest to do it diligently. Otherwise your efforts will not bring you the desired results.

4life convention is on 11th Sept. 19 at Orlando USA. Plan for it from now. There is nothing more valuable than participating in this grand event.

The Master Builder Trip is in June 19. The qualification is already announced. Make sure you are one of them.

I, on behalf of everyone in 4Life, wish you a very Happy, Prosperous and Successful New Year 2019. May all your dreams come true in 2019. With 4Life, nothing is impossible.

हाथ में हाथ - 4लाईफ के साथ ...

FREQUENTLY ASKED QUESTIONS

1. WHAT MAKES PRO-TF® SO UNIQUE?

PRO-TF is powered by a patent-pending blend that contains low-molecular weight, extensively hydrolyzed (high DH) whey and egg protein. High DH proteins are absorbed faster, more easily digested, and more effectively utilized by the body than any other form of protein. In addition, PRO-TF provides a superior protein source, containing over 4,900 mg of critically essential amino acids (EAAs), and over 2,350 mg of branched-chain amino acids. Plus, it provides 600 mg of 4Life Transfer Factor® in every two-scoop serving. PRO-TF® supports increased protein synthesis, boosted energy levels, fat burning, and decreased fatigue during and after exercise.*

2. WHY IS PROTEIN SO IMPORTANT FOR OVERALL HEALTH?

Protein is essential for life and must be consumed frequently and in abundance each day. No matter your age or body type, protein can help you meet your body transformation and healthy lifestyle goals. Protein supports fat burning, healthy muscle mass, optimal health, and crucial body functions (like metabolic processes and cellular function).

3. WHAT IS 4LIFE TRANSFER FACTOR® AND HOW MUCH IS IN PRO-TF®?

4Life Transfer Factor supports the immune system's natural ability to recognize, respond to, and remember potential health threats.* Each two-scoop serving of PRO-TF includes a full serving (600 mg) of 4Life Transfer Factor for immune system support.*

4. I HAVE MILK ALLERGIES. SHOULD I BE CONCERNED ABOUT TAKING PRO-TF®?

PRO-TF contains zero grams of lactose and no casein protein, the allergenic component of milk.

5. I STRUGGLE TO STAY ON A HEALTHY DIET BECAUSE I GET SO HUNGRY. CAN PRO-TF® HELP ME FEEL FULLER AND MORE SATISFIED?

Including protein in each meal will help you feel fuller and maintain a healthy weight. In a study, PRO-TF was shown to reduce hunger cravings for up to three hours!*

6. WHO SHOULD USE PRO-TF®?

Everyone! Whatever your goal—to maintain a healthy weight, build or maintain muscle mass, improve sports performance and recovery, increase strength, bolster immune system health, support healthy blood glucose levels and appetite, or just look and feel better—PRO-TF contains a great source of protein to help you achieve the results you desire.*

7. HOW DO I ADD PRO-TF® TO MY DAILY DIET?

For best results, combine one serving with cold water and shake vigorously in a shaker cup. You can also mix PRO-TF with your favorite yogurt, add it to cereal, or even combine it with Nutrashake™ for a total meal on the go!

8. I WANT TO REACH MY IDEAL WEIGHT. CAN PRO-TF® HELP ME REACH MY GOAL?

In one study, PRO-TF was shown to stimulate fat burning by up to 564%.** PRO-TF may also help reduce hunger cravings, making it easier for you to follow a healthy eating plan. The 4LifeTransform™ App is a great starting point for anyone who wants to begin a healthy transformation program. Download it from the App Store or Google Play and get started today.
